

# ***Our Products***

About 130 years have passed since Edison invented the incandescent light bulb. The world has seen many advancements in lighting, but there are still many more possibilities for the application of light in areas where it is not presently used. Unraveling the mysteries of light one step at a time, USHIO implements its new discoveries to provide solutions in a wide variety of cutting edge applications, such as semiconductors, liquid crystal displays, cinema, medicine and biotechnology.

Today, USHIO is drawing attention as a potential means of resolving issues via cutting edge technologies that will form an essential part of our future. These technologies will contribute to improvements in the environment, food production, space exploration and the development of new energy sources.

Our feelings with regard to light are also reflected in our corporate USHIO green logo. Green is one of the colors in the trichromatic primary color set, and falls midway in the spectrum between infrared and ultraviolet. This reflects our aim of exerting a constant presence “in the center of the light.” Marking 50 years since our inception as a maker of industrial light sources and lighting equipment, our business is providing total light solutions and exploring other possibilities of light.

USHIO contributes to the development of people and society from a unique perspective by opening up the possibilities of light for potential application in the future of energy, and not just as a source of illumination.

## ***Table of Contents***

<b>SPECTRAL LIGHT CHART</b> .....	<b>2</b>
<b>QIH IR HEATER</b> .....	<b>4</b>
<b>UV LED MODULES</b> .....	<b>14</b>
<b>GRAPHIC ARTS</b> .....	<b>24</b>
<b>GERMICIDAL</b> .....	<b>32</b>
<b>UV-B, BLACKLIGHT, BLACKLIGHT BLUE</b> .....	<b>36</b>
<b>AMALGAM</b> .....	<b>40</b>
<b>EXCIMER, XEFL</b> .....	<b>44</b>
<b>LABORATORY EQUIPMENT</b> .....	<b>48</b>
<b>VUV EQUIPMENT</b> .....	<b>50</b>
<b>INDUSTRIAL LED EQUIPMENT</b> .....	<b>54</b>
<b>LED CHIPS</b> .....	<b>64</b>
<b>LASER DIODES</b> .....	<b>68</b>
<b>LAMP HOLDERS</b> .....	<b>72</b>
<b>TECHNICAL LAMP REFERENCES</b> .....	<b>73</b>
