Re: Kooptech Endorsement Letter

USHIO is the authorized distributor of the Kooptech washer and dryer system. The Kooptech system is qualified by RealD as an approved system for the maintenance of all RealD 3D glasses.

The small, all-in-one system washes, sanitizes and dries all types of RealD 3D glasses. The glasses are clean without watermarks, streaks or spots and are ready to be distributed to movie goers right after the cleaning is complete. The machine's low temperature method is safe for all glasses. It is user friendly, very effective and the repeatability process is good. It is a viable solution for 3D eyewear recycles operation.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Jianmin Chen", with a date "2/25/2015" written to the right of the signature.

Jianmin Chen, VP, Asia Vendor Relations
