FOR IMMEDIATE RELEASE

Ushio America Introduces New LED Architectural Lighting Fixtures in Popular 4000K

Cypress, California (August 2019) — Ushio America, Inc. is proud to introduce new 4000K outdoor architectural LED lighting fixtures including traditional and slim wall packs, slim area lights, canopy mount fixtures, and wall mount security lights.

Ushio has been supplying lamps and light sources to the U.S. lighting market for over 50 years. As a manufacturer of specialty lighting fixtures and systems, these new LED fixtures expand our portfolio in the exciting architectural lighting market.

These new outdoor LED fixtures are DLC® qualified making them eligible for most utility rebates nationwide. These LED fixtures are available in popular wattages, color temperatures, and come with Ushio's premium 5-year warranty.

For more information on the Ushio LED lighting fixtures, or any of the other architectural lighting products from Ushio America, visit www.ushio.com/AL or call 800-838-7446.
