

Aladdin FABRIC-LITE 350

The innovative new bi-color FABRIC-LITE, as the name implies, is completely flexible, foldable and offers great flexibility for transport.

Mounting options for the FABRIC-LITE are virtually limitless, including all types of butterfly, overhead, wall and ceiling mounts, thanks to the integrated Velcro and grommets. The 3'x3' pan can be easily mounted on a Matthews frame or similar. Each 3x3-foot fabric panel can be used separately, or combined with others to create panels as large as 12x12 feet. The fixture offers high control over lighting. It is dimmable from 1-100% and the color temperature can be adjusted from 2900°K to 6300°K. The Dimmer runs from main power supply or battery, and has a built-in lumen radio module for DMX control.

IN THE BOX:

- 1x FABRIC-LITE 350
- 1x Dimmer
- 1x Pouch for LED Panel
- 2x Power Supply 100V-240V
- 2x Extension Cable
- 1x Diffusor
