

SEC Series LED Fixture

Security Light LED Fixture

Ushio America's SEC series security LED light fixtures provide bright, energy-saving options to replace old incandescent wall mounted security lighting or for new construction.

The SEC LED light fixture is ENERGY STAR® certified and provides energy savings up to 80% while eliminating maintenance as well as lamp and labor costs. It also comes with a dusk to dawn photocell sensor.

All SEC LED fixtures operate on standard voltage (120V) with popular color temperatures (5000K and 4000K). Available in 13W, these LED fixtures come with Ushio's premium 5-year limited warranty.

FEATURES & BENEFITS

- Energy Saving
- ENERGY STAR® Certified
- IP65 Outdoor Rated
- Operating Temperature: -4° F to 120° F
- Dusk to Dawn Photocell Included
- Long Life: 50,000 Hours
- 5-Year Limited Warranty

APPLICATIONS

- Security Lighting
- Area Lighting
- Entryway Lighting
- Pathway Lighting
