

# Xenoline™ Miniature Xenon

## Miniature Xenon Lamps

The Ushio Xenoline™ series consists of: Festoon, Rigid Loop and Wedge base miniature Xenon lamps. All Xenoline lamps are low voltage and have an extremely long life making these lamps ideal for track and strip lighting.

Available in:      Festoon 3W, 5W, 10W  
                         Rigid Loop 5W, 10W  
                         Wedge Base ranging from 5W to 18W

### FEATURES & BENEFITS

- Long Life - Up to 20,000 Hours Average Life
- UV Protected
- Low Pressure
- Less Heat
- Dimmable
- Compact Tubular Design

### APPLICATIONS

- Accent Lighting
- Track Lighting
- Strip Lighting
- Landscape Lighting
